January 2018

*Dear Mr Kinsey,*

I am writing to you to offer my congratulations.

Due to the hard work of your staff and students Lisle Marsden Church of England Primary Academy is one of 14 primary schools in Grimsby to see improvements in Key Stage 2 reading, writing and maths. Despite the rigours of the new Key Stage 2 assessments, your staff and student were able to adjust to the higher demands required. As a result you have achieved a tremendous increase in the proportion of pupils reaching the desired goal by exceeding the required standard set by the government.

Your incredible achievements have contributed to an increase in the national average. Across the country the proportion of pupils achieving the expected standard has risen from 61% to 64%. The new curriculum will bring us closer to the curricula used by primary schools in the countries with the most successful education systems.

Regardless of test results, I will continue to work hard to ensure that teachers are best supported and pupils are best served by the government. If you should need any assistance in the future please do not hesitate to contact my constituency office.

I look forward to seeing you build on this success in the coming year.

Yours sincerely,

*Melanie Onn*
